건강수첩, 리포트, 리워드 화면

The image displays a grid of 10 screenshots from a mobile application, likely a health or fitness tracker. The screenshots are arranged in two rows of five. The top row shows the '건강수첩' (Health Journal), '건강 리포트' (Health Report), and '리워드 화면' (Reward Screen). The bottom row shows the '건강정보 입력' (Health Information Input) section for '복약' (Medication), '혈압' (Blood Pressure), and '체중' (Body Weight), along with an '기기연동' (Device Sync) screen.

- 건강수첩:** Shows a summary for October 25, 2022, for a male patient (72 years old). It includes sections for '나의 건강 기록' (My Health Record), '복약' (Medication), '혈압' (Blood Pressure), and '체중' (Body Weight).
- 건강 리포트:** Displays a line graph of blood pressure data from October 4 to 11, 2022. Key values shown are SBP: 130mmHg, DBP: 94mmHg, and Heart Rate: 75bpm.
- 리워드 화면:** Shows a stack of gold coins with a total amount of 120,800. It includes sections for '선물 신청하기' (Request Gift) and a list of reward items from '에필스케일 체중계' (Epsilon Scale Weight Scale) with amounts 10,000, 50,000, and 10,000.
- 건강정보 입력 - 복약:** A medication input screen asking '어떤 약을 언제 알람을 주면 되는지 적어주세요!' (Please enter the medicine and the time you want an alarm). It includes fields for '복용 횟수' (Dosage), '복용 시점' (Time of use), and a toggle for '아침' (Morning).
- 건강정보 입력 - 혈압:** A blood pressure monitoring screen showing a graph of systolic (blue), diastolic (green), and pulse (red) over time. It includes a section for '위험 수치' (Dangerous Values) with a warning for systolic blood pressure at 117 mmHg.
- 건강정보 입력 - 체중:** A body weight input screen showing a current weight of 66 kg on October 25, 2022. It includes a '체중 연동' (Sync Weight) section and a '체중 측정' (Weight Measurement) section.
- 기기연동:** A device sync screen for a '에필스케일 체중계' (Epsilon Scale Weight Scale). It shows a connection status icon and a '연동 하기' (Connect) button.
- 직접입력:** A direct input screen for body weight measurement, prompting the user to confirm the value and press the save button.

사이드바

The image displays six screenshots of a mobile application interface, illustrating the SideBar feature across different sections:

- 내정보 수정**: Shows the main profile screen with user information like name (김수현마마), coin count (23,200 코인), and various settings tabs (내 정보, 짹꽁 설정, 걷기 운동 설정, 복약 시간 설정, 알림 설정, 설정). A sidebar at the bottom contains links for "명랑한 지현님, 운동을 같이해봐요!" and "오늘운동 바로가기".
- 내정보**: Shows the "내정보" (Personal Information) screen where users can edit their profile picture, name (올리비아), birth date (730801), gender (남자), and health status (키 168 cm, 체중 53 kg). It also includes sections for respiratory and heart-related issues.
- 짜꽁 설정**: Shows the "짜꽁 설정" (Papago Settings) screen. It displays a sample exercise plan for "올리비아님의 운동목표" (Olivia's Exercise Plan) and a list of available exercises under "같이 운동할 짹꽁을 선택해주세요." (Select a Papago to exercise with). It also includes a section for "열정이 짹꽁과 함께 운동하시겠어요?" (Would you like to exercise with the passion Papago?).
- 복약 알림 설정**: Shows the "복약 알림 설정" (Medication Alert Settings) screen. It lists medication plans for "아침약" (Morning Medicine), "점심약" (Lunch Medicine), and "저녁약" (Evening Medicine), each with specific times and alert toggles.
- 시간 설정**: Shows the "시간 설정" (Time Settings) screen. It displays the current medication schedule and allows users to change it. It includes a "복약 설정 초기화" (Reset Medication Settings) button and a "저장" (Save) button.
- 알림 설정**: Shows the "알림 설정" (Notification Settings) screen. It lists various notification types such as "꾸준한 운동을 시작할 수 있도록 모든 알림을 켜두시길 권장드립니다.", "운동 시간 알림" (Exercise time notification), "짜꽁 알림" (Papago message notifications), "마케팅 정보 알림" (Marketing information notifications), and "복약 알림" (Medication reminder notifications). It includes a "복약 시간 알림 설정" (Reset Medication Time Alert Settings) button and a "저장" (Save) button.
